

THE DERMAGEN CLINIC

MEDICAL AESTHETICS

## PRP HAIR

Platelet Rich Plasma (PRP) Hair Growth and Rejuvenation Therapy will restore thickness and health to areas of thinning hair. Also suitable for post hair transplant aftercare.

**Dr CYJ Hair Filler x3 sessions (60mins)** **£399**

Dr CYJ Hair Filler is a unique formula combining hyaluronic acid with seven peptides. The gel acts through a revitalisation of the skin cells and the scalp, promotes blood circulation on the surface of the head and improves blood circulation.

**PRP Hair Regrowth - 3 sessions (45mins)** **£380**

**PRP Hair Regrowth - 6 sessions (45mins)** **£580**

## LIP FILLERS

Lip fillers are a very popular non-surgical method of lip augmentation that uses hyaluronic acid-based dermal fillers such to add volume, shape, and structure to smaller, thin lips as well as help smooth away wrinkles and lip lines.

**Lip Fillers 0.5ml (30mins)** **£80**

**Lip Fillers 1ml (30mins)** **£100**

**HD LIPS™ (30mins)** **£150**

Advance needles creating a more striking look and enhancement of the lips

**Lidocaine Dental Block (10mins)** **£30**

Lidocaine infusion to help relief pain during lip enhancement treatment.

**Lip Correction / Dissolve (30mins)** **£80**

## **BOTOX®**

Botox® is an injectable muscle relaxer treatment. It uses botulinum toxin type A, to temporarily paralyse muscle. This temporary reduces the appearance of movement, facial lines and wrinkles.

**Botox® 1 area (20mins)** **£100**

**Botox® 2 areas (20mins)** **£150**

**Botox® 3 areas (20mins)** **£180**

**Botox® top-up (20mins)** **£30**

**Lip Flip / Smokers Lines (60mins)** **£80**

Choose either lip flip to help elevate the top lip for a more defined but natural look or smokers lines across the top of the upper lip to help with age preventing

**Brow Lift using Botox® (20mins)** **£180**

Botox® in the upper face muscles to help lift and smooth the upper face providing a natural looking brow lift

**Jawline Slimming / Masseters / Bruxism (20mins)** **£180**

Botox® injected into the masseter muscle (the jaw), weakens the muscle to stop habitual grinding of the teeth and clenching of the jaw.

**Nefertiti Lift (20mins)** **£200**

Botox® can be used to smooth the neck in a procedure known as the nefertiti lift.

**Hyperhidrosis (Under Arm) (20mins)** **£200**

To help reduce excessive sweating & perspiration using Botox®.

**10 Areas Upper & Lower Face (30mins)** **£399**

Full face Botox® treatments targeting the full face.

Upper facial areas and lower facial areas including forehead lines, frown lines, crows feet, bunny lines, nose tip lift, smokers lines, marionettes , chin dimpling, jawline slimming, lip flip.

## NASOLABIAL FOLDS / MARIONETTE LINES

Dermal fillers are implants that are placed just under the skin. They can plump up the skin, reducing the appearance of lines. We apply dermal fillers just under the skin in the nasolabial fold area to give the cheeks a lift and a smoother look.

**Nasolabial Folds / Marionette Lines 1ml (30mins)** **£150**

**Nasolabial Folds / Marionette Lines 2ml (30mins)** **£250**

## PROFHILO®

Profhilo® is designed as a course of two treatments, 4 weeks apart. Best results will be seen four weeks after your second treatment. At this stage, elastin and collagen production is boosted, making the skin look firmer. This can last up to 12 months. Hydrate, plump and smooth skin quality. Improving dryness, roughness, fine lines, skin tone and texture.

**Profhilo® - 1 session (20mins)** **£200**

**Profhilo® Package - 2 sessions (20mins)** **£380**

## NS RHINOPLASTY

A non-invasive solution known as a non-surgical rhinoplasty. It is performed using a variety of dermal fillers that can reshape irregular nasal contours, provide more definition to the nose, smooth away a hump, or balance out a curved nose.

**Nose Correction - single session (30mins)** **£180**

**Nose Correction - top up (60mins)** **£80**

## TEAR TROUGH TREATMENT

This treatment restores the area beneath the eyes to achieve a more youthful and smoother appearance. The benefits of tear trough correction include: reducing puffiness under the eyes, improving dark circles under the eyes, a younger, more energetic look.

**Under Eye Rejuvenation (30mins)** **£180**

**Tear Trough - top up (30mins)** **£80**

## JAWLINE ENHANCEMENT

Jawline reshaping is the safe and effective alternative to traditional reconstruction surgery, utilising dermal fillers to help add or restore lost volume and improve your overall facial profile.

**Jawline Enhancement - 1ml (30mins)** **£150**

**Jawline Enhancement - 4ml (30mins)** **£450**

## CHEEK ENHANCEMENT

Cheek augmentation is an effective, non-surgical, and minimally invasive option for those who wish to have more volume in the cheekbone area and enhance their overall facial contour and balance.

**Cheek Enhancement - 1ml (30mins)** **£150**

**Cheek Enhancement - 2ml (30mins)** **£250**

## CHIN ENHANCEMENT / CORRECTION

Chin Filler can enhance the overall appearance of the chin area. Dermal Fillers are an excellent way to shape and adjust a more satisfactory profile.

**Chin Enhancement - 1ml (30mins)** **£150**

**Chin Enhancement - 2ml (30mins)** **£250**

## FACIAL CONTOURING PACKAGE

Reshape and redefine the facial contours for better symmetry and proportion. (Jawline, Cheeks, Chin). Dermal Filler is inserted into the three areas to give the appearance of a more contoured face shape.

Combined Contour / Cheek, Jaw, Chin - 3ml (60mins)	£300
Combined Contour / Cheek, Jaw, Chin - 4ml (60mins)	£400
Combined Contour / Cheek, Jaw, Chin - 5ml (60mins)	£500
Combined Contour / Cheek, Jaw, Chin - 6ml (60mins)	£600
Combined Contour / Cheek, Jaw, Chin - 8ml (60mins)	£800

## FAT DISSOLVING INJECTIONS

Fat dissolving injections used for people who want to get rid of stubborn areas of fat in their faces and in their bodies and is clinically proven for these purposes.

Lemon Bottle - single session (30mins)	£120
Lemon Bottle - course of 3 sessions (30mins)	£330

Lemon Bottle treatment is a fat dissolving injection which works by liquidating fat cells, and destroying them permanently.

Aqualyx® single session (30mins)	£120
Aqualyx® course of 3 sessions (30mins)	£330
Aqualyx® course of 4 sessions (30mins)	£420

Aqualyx® is a non-surgical solution to minimise and remove stubborn localised pockets of fat. Dissolving the fat cells is a permanent solution so long as you maintain a stable weight, eat healthily and continue exercise as usual. Aqualyx® leads to a permanent reduction of fatty tissue, once removed, fat cells will not return.

## BOOTY FILLER & HIP DIPS

A non-surgical BBL is a safe and non-invasive way to create a subtle lift and sculpt the shape of your bum by injecting dermal filler. You can see results from one session, the results do vary according to how much filler you choose to have.

BBL / Hip Dip: 50ml (60mins)	£1,000
BBL / Hip Dip: 100ml (120mins)	£2,000
BBL / Hip Dip: 200ml (120mins)	£3,000
BBL / Hip Dip: 300ml (60mins)	£4,000
BBL / Hip Dip consultation (30mins)	£30

## PDO / COGS

The effects of threads can last up to 18 months helping in the appearance of fine lines and wrinkles. Results can be seen gradually as the procedure stimulates natural collagen production over 6 weeks.

Lower Face Lift using COGS (60mins)	£500
Full Face Lift using COGS (60mins)	£1,000

## FOX EYE

using COGS / PDO

This is when the outer edge of your eyebrow is lifted to extend upwards rather than following the natural brow bone. This lifts the corners of your eyes and the skin around the area, mimicking a face lift and blepharoplasty.

Classic Fox Eye Lift using PDO/COGS (30mins)	£250
